V70 PRICING

VOLVO
for life

THE VOLVO V70

The Volvo V70 simply defies categorisation. It drives like a class-leading saloon – with some of the most impressive engines in its class. It feels like a luxury saloon, yet people still insist it's the best large estate on the market. Don't worry if you can't decide either – this price list should help you find the V70 that's exactly right for you.

T5

The T5 2.3 litre, turbocharged, in-line, 5 cylinder engine delivers outstanding performance – producing 250 bhp and 330 Nm torque. This powerful engine features variable valve timing on the exhaust side and a responsive turbocharger designed to deliver maximum torque across most engine speeds. The high charge air pressure in the turbo means extra power at high revs – this is an engine to inspire active driving.

D5

The D5 2.4 litre, turbocharged, in-line, 5 cylinder, common rail diesel engine delivers very low fuel consumption and CO² emissions with excellent performance – producing 163 bhp and 340 Nm torque. This extremely advanced diesel engine is made entirely of aluminium giving it a similar weight to a petrol engine. This advanced design combined with second generation electronic common rail fuel injection and the variable blade turbocharger makes it one of the quietest and most advanced diesel engines available on the market.

BI-FUEL

As part of Volvo's total commitment to the environment, the V70 Bi-Fuel engines enable you to benefit from the lower cost of LPG/CNG and reduce harmful emissions to the atmosphere.

- (i) Liquefied Petroleum Gas.
- (ii) Compressed Natural Gas.
- (iii) These results do not express or imply any guarantee of the fuel consumption of a particular car as there are inevitable differences between individual cars of the same model. Additionally driving style, traffic conditions, as well as the age and mileage and standard of maintenance will affect a car's fuel consumption.
- (iv) The Urban fuel consumption figure is based on typical city driving, including starting the car from cold. The Extra Urban figure is based on typical motorway driving and cruising. The Combined figure averages the consumption across both cycles.
- (v) For best performance and lowest fuel consumption 98 RON is recommended. 95 RON can be used for normal driving.
- (vi) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (vii) 2.5T, D5 + T5 transmission is 5-speed Geartronic.
- (viii) Figure quoted without sunroof.
- (ix) Measurements taken at height of floor covering.
- (x) D5 AWD Manual available late 2003.

Notes
Some specifications may have lower CO₂ emissions than those shown. Once a vehicle has been built it will be given its own specific CO₂ emission figure on which Vehicle Excise Duty and company car tax, where appropriate, will be calculated. Please contact your dealer for details.
A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified. All measurements in mm.
NB Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to price, colour, materials, specifications and models.

Care by Volvo is a range of tailored benefits, facilities and services to make sure you get the maximum enjoyment from your Volvo.

FINANCE

CARE BY VOLVO

We make finance simple, clear and attractive. For private motorists, our flexible purchase schemes like Volvo Advantage make ownership affordable, with low monthly payments and low minimum deposit⁽ⁱ⁾. For business users, Volvo purchase plans, leasing and contract hire facilities offer tax efficient, versatile finance alternatives.

ASSISTANCE

CARE BY VOLVO

Every new car comes with one year's free RAC cover. You'll enjoy full breakdown and recovery assistance, anywhere in Europe, 24 hours a day. You can even extend cover for up to two more years at preferential rates.

OWNERS INSURANCE

CARE BY VOLVO

Statistics show Volvo drivers have fewer accidents. That means Volvo Owners insurance can offer competitive premiums with tailored protection and exclusive benefits. Operated in conjunction with The Royal and SunAlliance, one telephone call even deals with all arrangements for any claim.

WARRANTY

CARE BY VOLVO

Every new Volvo comes with comprehensive protection. Our warranty covers the first three years or 60,000 miles, whichever comes first. There's a three year unlimited warranty on the paintwork, and a full 8 years against rust perforation. If a component fails due to a defect or material fault, your dealer will swiftly rectify the problem, free of charge.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates, at £480 and the VED (Vehicle Excise Duty) car tax effective from 1st March 2000. The 'On The Road' price also includes a £25 vehicle first registration fee (as set by the government), effective since 1st April 1998 (excludes Channel Islands and Isle of Man). Retail prices quoted do not include these additions.

Details

The above is just an outline of the facilities available to Volvo Owners. For full details, contact your dealer, or visit www.volvocars.co.uk

⁽ⁱ⁾ Subject to status. Written quotations are available from Volvo Car Finance Limited, Globe Park, Marlow, Buckinghamshire SL7 1YQ.
