

VOLVO

760 GLE

ACCESSORIES
ACCESSOIRES

A. Grille Cover—For cold weather use, the grille cover raises the running temperature of the engine and helps to prevent snow, salt and moisture from entering the engine compartment.

B. Child Guard—Helps to keep small children from entering the front passenger compartment.

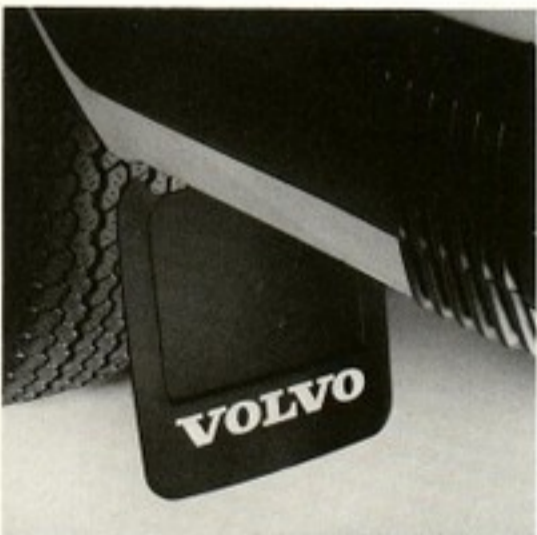

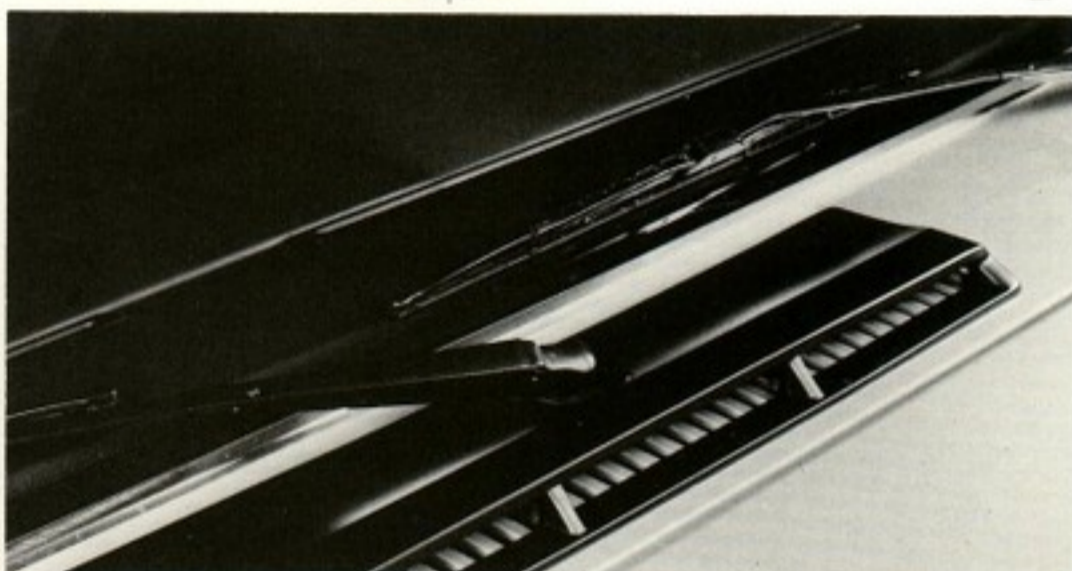

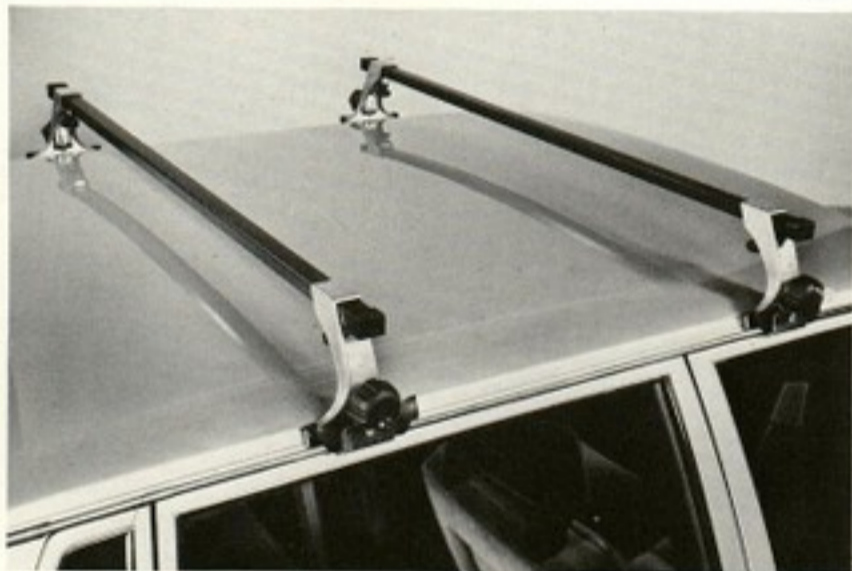

C. Color Coordinated All-Weather Floor Trays—Contoured for an exact fit and maximum protection of your original carpeting.

D. Child Booster Seat—This cushion puts your child (over 50 lbs.) at the proper height to use the standard seat belts.

E. Dash Tray—Locates conveniently on the dash, holds an assortment of small objects, color coordinated to the interior.

F. Ski Rack—Lockable to protect your valuable equipment, adjustable to fit securely on your 760 GLE. Carries as much as 8 pairs of skis.

G. Gauges—Monitor fuel economy and outside temperature with these functional "made to match" gauges.

H. Trailer Hitch—Easily mounts to the pre-drilled body member of the 760 GLE. Made to provide proper towing characteristics. Maximum load 3,300 lbs. (An oil cooler is recommended for cars with automatic transmissions. Consult your owner's manual before towing a trailer.)

I. Sheepskin Seat Covers—Luxuriously thick lamb's wool for the ultimate in interior comfort.

J. Custom Carpet Mats—Remarkably plush mats featuring hand-set tightly woven 760 GLE logo heel pad and waterproof non-slip backing.

K. Load Carrier—Versatility is the key. Start with the basic carrier bars and add on a rack or bicycle carrier. Sturdy light-weight construction will hold up to 220 lbs. of cargo. Locking knobs also available.

L. Cowl Intake Cover—A "cap" for the intake vent; insures proper ventilation usually hampered by snow or fallen leaves.

M. Side Window Wind Deflectors—Cuts down glare and wind noise with windows open. Designed to look good and function efficiently.

N. Rear Mud Flaps—Thick vinyl black flaps with a distinctive white Volvo logo protect rear fenders from mud and debris.
